Frequently asked questions

FAQs

Can we add on time to our rental?
You can add additional hours for a fee of $500 per hour.

Is the beach area included?
The beach between our venue and Lake Tahoe is part of CA State Parks and is open to the public, and you have the option for a portion of your event to take place on the sand. Most beach goers are respectful of weddings and we set up fencing and signage to let the public know there will be an event.

Is there a back up plan for bad weather?
We always have an option to move your entire event inside.

Can I bring my own bar?
You bring in your own alcohol, soft drinks, mixers and garnish. All alcohol must be served by a certified bartender, with a current RBS card. You will also need to purchase an insurance policy, which we will send details for once you book. All professional caterers can provide a bartender. We comply with all state laws regarding alcohol.

What time does our event need to end?
County ordinances is that outside music must be off at 10 pm (last song at 9:45pm). All speakers & lights on terrace are turned off, with doors closed at 10 pm. Inside music is a hard stop at 11 pm (last song at 10:45pm).
