Frequently asked questions

FAQs

Can we add on time to our rental?
You can add additional hours for a fee of $500 per hour.

Is the beach area included?
The beach between our venue and Lake Tahoe is part of CA State Parks and is open to the public, and you have the option to have rental items set up on the beach from Tahoe adventure company. Most beach goers are respectful of events and we set up fencing and signage to let the public know there will be an event.

Is there a back up plan for bad weather?
We always have an option to move your entire event inside.

Can I bring my own bar?
You bring in your own alcohol, soft drinks, mixers and garnish. All alcohol must be served by a certified bartender, with a current RBS card. You will also need to purchase an insurance policy, which we will send details for once you book. Most professional caterers can provide a bartender. We comply with all state laws regarding alcohol.

What time does our event need to end?
County ordinances is that outside music must be off at 10 pm. All speakers & lights on terrace are turned off, with doors closed at 10 pm. Inside music is a hard stop at 11 pm.

Can we bring our dog?
Only service animals can attend events inside.

Reviews

★★★★★

The entire event center staff were wonderful through the whole process and were very accommodating for us. The venue planning staff helped me through everything and were always so responsive to my questions - and there were a lot. Also, the price is AMAZING for a lakefront Tahoe wedding!
We had the best wedding we could have ever imagined and we can't recommend North Tahoe Event Center enough!

★★★★★

We had our 100 person wedding here and were SO happy that we made the decision to go with the North Tahoe Event Center. The view of the lake is stunning no matter where you are standing, and we had guests coming up to us all night to tell us how beautiful the venue was. We looked at dozens of venues, and I firmly believe there is no better value on Lake Tahoe. The price point is really unbeatable, as we looked at much more expensive locations with a fraction of the views. I would choose this venue again in a heartbeat!

This venue was SO amazing! Beautiful views, very accommodating, wonderful and friendly staff that were easy to work and communicate with. An affordable venue in a perfect little area in North Lake Tahoe with many hotels/cabins, shops and restaurants all within walking distance which is not easy to find! I highly recommend this venue, it was the perfect setting for our wedding!
