Yes, a $1,000 refundable security deposit is due with your final venue payment, 90 days before your event. If there are no damages or other charges to deduct, we will initiate your full refund within 21 days after your event.

Your rehearsal is self run for a one hour slot, and you are also able to and drop off all bar items

You can add additional hours for a fee of $500 per hour.

Is the beach area included?

The beach between our venue and Lake Tahoe is part of CA State Parks and is open to the public, and you have the option for a portion of your ceremony to take place on the sand. Most beach goers are respectful of weddings and we set up fencing and signage to let the public know there will be an event.

Is there a back up plan for bad weather?

We always have an option to move your entire ceremony and reception inside.

Can I bring my own bar?

You are welcome to bring your own alcohol, soft drinks, mixers, and garnishes. All alcohol must be served by a certified bartending company. A liquor liability insurance policy is also required, and we will provide the details once you book. All alcohol service must comply with applicable state laws.

What time does our event need to end?

County ordinances is that outside music must be off at 10 pm. All speakers & lights on terrace are turned off, with doors closed at 10 pm. Inside music is a hard stop at 11 pm.

Can we bring our dog?

Pets are welcome to join your outdoor ceremony! We cannot have your pets inside the building. Please arrange for them to be taken offsite afterward, as only service animals may remain at the venue after the ceremony.

Reviews

★★★★★

The entire event center staff were wonderful through the whole process and were very accommodating for us. The venue planning staff helped me through everything and were always so responsive to my questions - and there were a lot. Also, the price is AMAZING for a lakefront Tahoe wedding!
We had the best wedding we could have ever imagined and we can't recommend North Tahoe Event Center enough!

★★★★★

We had our 100 person wedding here and were SO happy that we made the decision to go with the North Tahoe Event Center. The view of the lake is stunning no matter where you are standing, and we had guests coming up to us all night to tell us how beautiful the venue was. We looked at dozens of venues, and I firmly believe there is no better value on Lake Tahoe. The price point is really unbeatable, as we looked at much more expensive locations with a fraction of the views. I would choose this venue again in a heartbeat!

★★★★★

This venue was SO amazing! Beautiful views, very accommodating, wonderful and friendly staff that were easy to work and communicate with. An affordable venue in a perfect little area in North Lake Tahoe with many hotels/cabins, shops and restaurants all within walking distance which is not easy to find! I highly recommend this venue, it was the perfect setting for our wedding!
